

**Addendum No. 4 August 29, 2024**

The following questions were submitted by proposers:

**Question 1:** Our team noticed a discrepancy in the RFP. The numbers of Mobiles and Portables seem to be opposite of one another in these sections. Can you clarify which is correct?

**County Response:** Section 9.1 has been revised as follows

A. Subscriber equipment includes all VHF, 700/800 MHz band, non-fixed user equipment:

1. 82 portable radios
2. 55 mobile radios
3. 10 control stations
